

Spring 2021 Newsletter!

The EVCG has been meeting regularly throughout the winter via zoom and making plans for this summer's events. We want to offer a fun community event for the summer! The artists of our communities including some of our children have been creating "Porch Quilts" to be displayed all over Randolph and the East Valley, up and down Rt. 14 in and out of East Randolph. We are offering the community a chance to participate in a scavenger hunt that will look for identifying as many of these beautiful porch quilts as possible! For a chance to play and win a free porch quilt donated by local artists for the event, contact us by email or log onto our website, EVCG.com. It starts July 1 and ends July 31. And there will be a party in August to give the quilts away! Please join in this fun event!

As well, we have been decorating the town hall outside, trying to spruce up the pandemic winter, even a little bit. We are getting ready to plant some spring plants in the flower boxes at the hall and if anyone with a green thumb wants to join in on this, please do!

Besides this, we are starting plans and veggie plants to offer again in our community garden. We can use all the volunteers we can get to help in this wonderful event! As we did last year, free veggies will be placed in our tent outside the Community Hall for everyone who wants them. This garden effort was a big success in 2020. Again, if interested in helping, please email us.

And another percolating idea is an event tent to be constructed behind the hall this summer to allow for special events to happen (since the hall is out of commission). Maybe Bingo? Maybe potlucks? Maybe you could rent the tent for YOUR event? Stay tuned for updates to this. And thank you everyone who contributes to OUR wonderful community!

Til next time,

The EVCG
