We're starting events there with BINGO! every Wednesday evening at 6:00 from opening night July 14th to the end of August, Put it on your calendars and come for the fun You might win the night's take! All funds from all events (beyond expenses) to benefit the Bringing It Back effort to restore and fully reopen the East Valley Community Hall.

And of course, we have planted the COMMUNITY GARDEN to offer, once again, free veggies starting in August in front of the Community Hall under a canopy. So be on the look out!

Last year lots of folk contributed their extra veggies too...so it became a community exchange! Better than we ever imagined! So join in one and all. Take what you need, bring what you don't need!

And thank you to all who contributed last year. We will have another good one this year!
